

Jim,

You are my love! when our relationship is strong and we are like one, though things around us are restless, unsettling, and causing strife, you and I can get lost in each other and be at peace. I am thankful to the Lord for giving you to me. Life would be tough without your love.

My prayer is that nothing would ever come between us and that the love we have for each other will always flow freely.

I look into your eyes  
and find my soul mate.

I hear your voice

and never feel alone.

Beside you, I believe

in love unending

and feel the deepest joy

I've ever known.

WISHING YOU A WONDERFUL  
FATHER'S DAY

With all my love,

Carrie
